Spoke to Jason Wyshuk at his report about  
Haugmoed wanted to know if he should be  
warned. I explained that there is concern  
but he should tell truth. He said he  
would. Again said he only did what he was  
very told by Chief Bahann

06-04-28 Had asked if he could run home during  
day shift w/ pt. to check on his dog that just  
had operation. Write granted request
