

At approximately 10:30 hrs on July 8, 2008 while sitting on a bench outside the courtroom, Ken Abraham came walking down the hall (from the south) toward the courtroom. Upon coming up to me I saw Mr. Abraham, and he saw Maloney, Maloney. You guys are nothing but a bunch of fucking traitors, I saw him I wasn't even there and he said I know you weren't and he walked back into the courtroom. Mr. Abraham was slightly agitated when he saw this.

There was a female photographer to the north of the door on the other bench.

I continued to sit and then I was taken to sitting room to read a previous statement and I asked Bob Chession why he had Ken Abraham so upset and he asked why and I informed him what Ken Abraham had said.

Mr. Vincent (Clifford) attended the sitting room and asked about what was said. I told him what Abraham had said and he requested that I write a statement of what occurred.
