Further to our conversation on May 31/06, here is a fax copy of Cst. Krawchuk's notes that had never been disclosed to you. To recap, I only learned that Cst Krawchuk had made notes of his minimal involvement in the incident on May 29/06. On this date Cst KRAWCHUK advised me that he had given a copy of his notes to then Chief Bakema and assumes Bakema used Krawchuk's notes to write up his police report.

Upon learning this I called you on May 30, 2006 to disclose this to you. What ever Mr. Bakema did with the notes, I don't know. All I can tell you at this time is that they were not included or submitted to the file after Mr. Bakema had possession of them. I made RCMP Cpl. Tracy KENNETT aware of this development

In addition, further to your fax of June 1, 2006, I have cancelled all witnesses that you have requested of me.
