Re: Cst. Derek Harvey-Zenk/2180-13

At approximately 16:00 hrs. Friday, the 25th of February I received a phone call from Supt. C. Scott. She indicated that she was concerned for Cst. Harvey-Zenk's safety as he had recently been charged by the East St. Paul Police for Drive Impaired causing death as well as other related offences. The Wellness officer, Paul Isaac had briefed her which caused her to have the concerns.

At approximately 16:10 hrs., while in the company of S/Sgt. Sobczak the writer attended at Cst. Harvey-Zenk's locker and seized his firearm (#W0294) as well as three ammunition clips containing a total of 45 rounds of ammunition.

At approximately 16:40 hrs. the pistol, ammunition clips and ammunition were turned over to Sgt. Pearson/1289 from the Professional Standards Unit.
