Attn: Cpl. Todd Doyle

After our conversation I spoke to the EMS Manager to verify the procedure for releasing the information you requested. He informed me that since you do not need any personal information on the patient, it does not interfere with the Personal Health Information Act, and we do not need signed consent, I can just relay the information pertaining to the times to you. They are as follows:

MVA occurring on February 25 2005:**Call Received: 0717hrs****Enroute: 0720hrs****Arrived at the Scene: 0738hrs****Departed the Scene: 0756hrs****Time Available: 0836hrs**

Hoping this information is what you are looking for. If there are any questions feel free to contact me at 204-

Sincerely,

Nicole Tynski
Accounting Clerk

KENNETT: 'Kay. Who was the officer you uh oh you didn't speak to any officers at the scene that day. You provided your statement later on to uh I believe it was to the chief, chief Pakema?

STEVENS: At uh ST. Andrew's yeah. If that's his name yeah it was....

KENNETT: Yeah.

STEVENS: ...at St. Andrew's.

KENNETT: Okay. So he just made arrangements to come interview you an'?

STEVENS: Uh well I gotta little bit messed up from the accident and uh St. Andrew's sent an officer down to council me a little bit.

KENNETT: Oh yeah.

STEVENS: And then they set up a, about three or four days later I think it was. Um, they called me and asked me if I'd come down and give a statement. So I went down saw the chief and gave a statement.

KENNETT: Okay.

STEVENS: They said they didn't know if it would help or not but it wouldn't hurt to give on anyways.

KENNETT: That's right, exactly.

STEVENS: Yeah.

KENNETT: Alright. Uh, I don't have anymore questions.

STEVENS: Okay.

KENNETT: Um, anything that has anything else you have to add?

STEVENS: Not really. It's pretty much all there.

KENNETT: 'Kay. Its uh 10:30, concluding interview. Thank you.
