RE:

on Feb 25th at about 7:00 Am my husband and I were driving my car a blue sunbird south on Highway 59.

She said I haven't seen anyone move from that vehicle, pointing at the yellow car.

I started walking towards the yellow car and I looked into the back seat and noticed there was no back seat and then I looked at the lady. As I turned away from her I noticed a truck on the shoulder in the middle, on the passing lane shoulder. Then this man came out from behind this vehicle and I asked him if he was okay and if he had anyone with him and didn't say anything.

Then I went back to the car with the lady I had first spoken to. She said the light was green and all of a sudden I just got thrown.

Then another man came up that I thought
