Dear Mr. Peck,

As promised, I am enclosing a copy of materials that we have collected and organized relating to prosecutorial standards and ethics, to assist you in preparing your opinion. You are in no way confined to this material, but we believe it will be of assistance to you. In light of disclosure requirements, we will be furnishing a copy of these materials to all participants. If you use materials not included in this document, please provide us with copies so that we can make disclosure of those documents as well.
